

## Newsletter Number 11 — 19.1.15

Dear Parent/Carer

I am pleased to provide you with new TRGA homework timetable. The timetable provides a clear idea of when homework is to be issued & then collected across the Academy week.

Students should record details of homework tasks and the date to be submitted in their Academy planner. I hope that this enables you to monitor the regularity and amount of homework your son/daughter is receiving.

Please be aware that students can access the Academy homework club every Wednesday and Thursday after school from 3pm to 4pm. This includes access to staff support and the use of Information Technology and the library. Students who consistently produce good/excellent homework will be rewarded through the issuing of stamps. Please be aware that failure to hand homework in will result in your son/daughter being issued with a negative comment.
